*Pre-paid Reserved Useful Service Package(s)*

**Proposal**

Whether you are a long-term living expat, a business operator or a visitor who often returns to Thailand as your 2<sup>nd</sup> home and even if you own any types of assets or belongings in Thailand, **my proposal will benefit you.**

I am raising an additional fund to complete my ongoing mission impossible in retrieving my almost-lost huge sum of money and I do need support in this time.

**In return, you will certainly benefit from supporting me as described below.**

**Benefit for Supporter**

- 1) All Bottom Rated Services shall last until 31/12/2026 and you can take your time before you call me for the service(s) you have selected & pre-paid.
- 2) The privilege of special offer is transferable to any person and at any time.
- 3) All special offers are swappable among them so you can change the service to fit your requirements at the time you need my service.

**Reason:**

I am on a very urgent business mission as I need to buy a plot of land in Korat (Nakhon Ratchasima Province) at the price of 1/3 of Land Office's estimated price and only 1/4 of the market price. This plot of land was owned by my Debtor's Family, and it's already lost to their creditor, yet I have been given a chance to buy it back for resale, but I must do it NOW.

The land then will be immediately put on market for quick resale, which is the only way I can get back part of the debt owed to me after waiting for a long time.

I hope to have your kind support with 1–2 Packages of the listed Special Offers attached.  
Quality services and products guaranteed at the bottom rates.  
Please kindly consider.

**Please reserve your selected package(s) and pay before 10 November 2025**
