

# expats CLUB

**Welcome to the  
Pattaya Expats Club  
Tuesday 25th June 2024**

A group of diverse graduates in black gowns and caps, smiling and celebrating outdoors under green trees. The graduates are of various ethnicities and are captured in a joyful moment, with some holding up their caps. The background is filled with lush green foliage, suggesting a campus setting.

# Stages of an International Baccalaureate (IB) Course

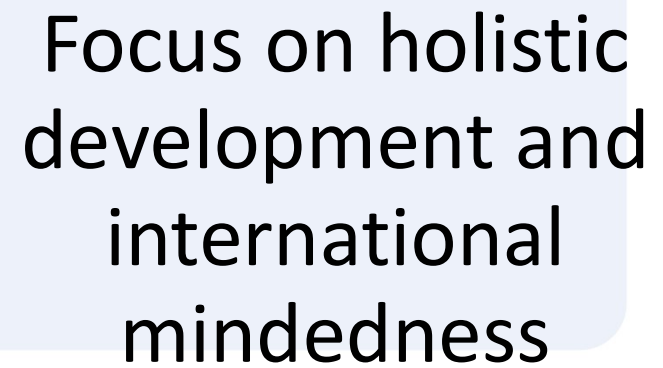

An Overview of the IB Programmes

# Introduction to IB

Purpose of IB  
Programmes

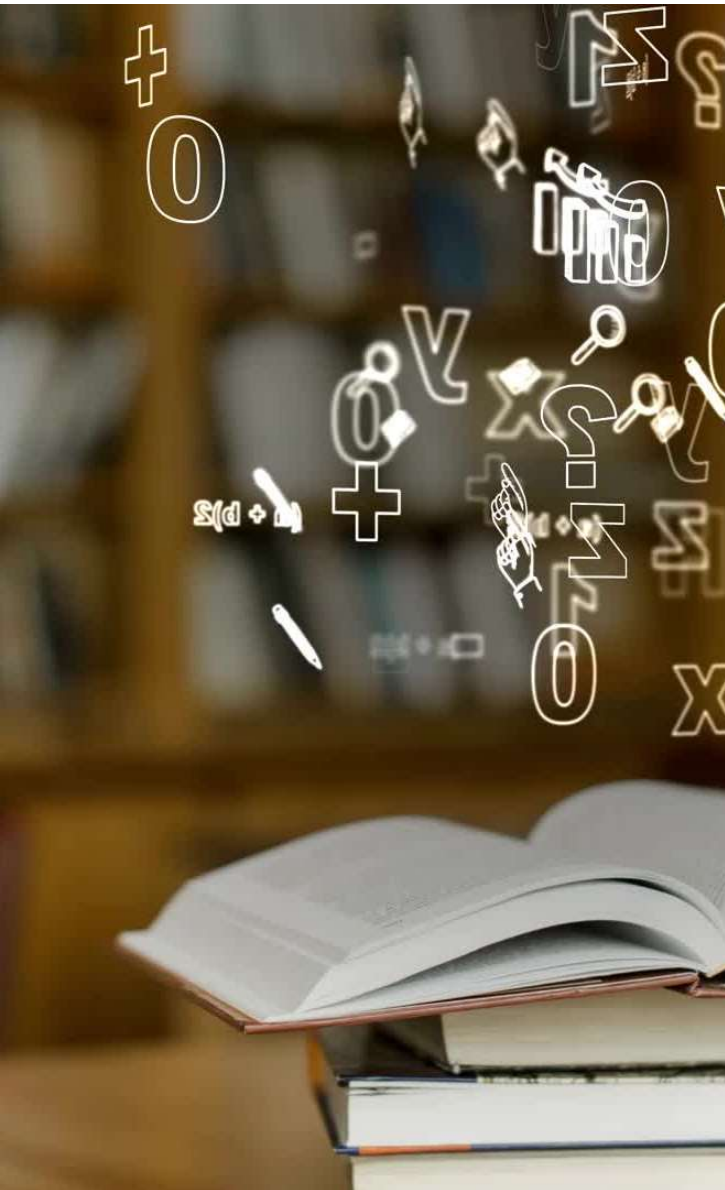

Focus on holistic  
development and  
international  
mindedness

---

## Primary Years Programme (PYP) Age Range: 3-12 years old

- Focus: Holistic development and inquiry based learning
- Six Transdisciplinary Themes:
  - Who we are
  - Where we are in place and time
  - How we express ourselves
  - How the world works
  - How we organize ourselves
  - Sharing the planet

# Middle Years Programme (MYP)

## Age Range: 11-16 years old

Focus: Academic challenge and practical connections

- Eight Subject Groups:
  - Language Acquisition
  - Language and Literature
  - Individuals and Societies
  - Sciences
  - Mathematics
  - Arts
  - Physical and Health Education
  - Design
- Personal Project requirement

## Diploma Programme (DP) Age Range: 16-19 years old

Focus: Rigorous preuniversity course

- **Six Subject Groups** (must choose 1 from each group)
  - Studies in Language and Literature
  - Language Acquisition
  - Individuals and Societies
  - Sciences
  - Mathematics
  - The Arts

*Instead of a subject from The Arts, a student can choose an additional subject from one of the other groups.*

## Diploma Programme (DP)

Age Range: 16-19 years old

### Core Components:

- Extended Essay (4,000 word research paper)
- Theory of Knowledge (TOK)
- Creativity, Activity, Service (CAS)

## Career-related Programme (CP) Age Range: 16-19 years old

Focus: Career-related learning and academic rigor

- Combination of DP courses and career-related studies
- CP Core Components:
  - Reflective Project
  - Language Development
  - Service Learning
  - Personal and Professional Skills

# Career-related Programme (CP)

## 1. Core Components:

1. **Personal and Professional Skills:** Focuses on developing skills needed for lifelong learning and employment.
2. **Service Learning:** Involves students in community service to develop social awareness and a sense of responsibility.
3. **Reflective Project:** An in-depth body of work produced over an extended period, reflecting on an ethical issue related to the student's career-related studies.
4. **Language Development:** Aims to ensure that students have the necessary language skills to communicate in a global society.

# Career-related Programme (CP)

## **2.Career-related Studies:**

These are courses related to a particular career path,

- provided by an external provider or
- developed in collaboration with the school.
- They are designed to provide students with both practical and theoretical knowledge in their chosen field.

## **3.Diploma Programme Courses:**

- Students must take at least two Diploma Programme (DP) courses,
- which provide academic rigor and
- prepare students for further education and work.

## Career-related Programme (CP)

Age Range: 16-19 years old

### **Holistic Development:**

- The CP aims to develop students who are knowledgeable, principled, open-minded, and reflective,
- balancing academic and career-related learning
- with personal development.

---

## IB Learner Profile

### Attributes of IB Learners:

- Inquirers
- Knowledgeable
- Thinkers
- Communicators
- Principled
- Openminded
- Caring
- Risktakers
- Balanced
- Reflective

# Conclusion

Importance of holistic development and international-mindedness
